

# Fresh Start-Wild Year

---

It has been 4 months since we were on the Expedition together.

For most men, the Expedition is a huge paradigm shift:

*“You mean, I really can hear from Jesus and walk with Him so I develop a conversational relationship with Him?”*

Yes, that is what you learned. Jesus wants you to know you are His beloved son and He wants you to live from that frame of reference. Imagine if you interpreted your life knowing you are a beloved son of God and He is your true, good, unfailing Father. That perspective changes everything.

Here we are 7 months into 2021. The last year has been a wild ride. March 2020 was when the Covid-19 first began to show up in the USA in large numbers and you know what it's been like since. Who knows what the future holds? *Only Jesus does.* No one saw coming all the wild things we have gone through with the Covid-19, lockdowns, unknowns, store closings, and all the other upheaval.

Thinking back to the beginning of this year back in January, you probably made some New Year's resolutions that may or may not be forgotten by now. You know how those sometimes go. Great intentions but follow through, not so much.

Rather than focus primarily on goals, or losing weight, or working out, or a bucket list, I suggest taking some time during these uncertain times and intentionally asking Jesus these four questions about the the last five months of 2021: *(Then pause and sit in silence and write out what He shows you.) It would probably be a good idea to take several passes at this. Save it to your computer or iPad or iPhone as you will want to refer to it throughout the year.*

1. Jesus what do you have for me in the rest of this year-the last 5 months of 2021? *(Especially given all the uncertainty and upheaval caused by the Covid-19 virus that continues to change so much in our world)*
2. Jesus what are the themes you have for me for the next 5 months?
3. Jesus how can I own more of your love and life for me in these last 5 months of 2021?
4. Jesus is there anything standing in the way of me receiving from you more of the life, freedom, power, and authority you want me to live out in the rest of 2021?

Look forward to hearing how it goes!

In His adventure with you,

Reese
