

Daily Prayer

Lord Jesus, I come to you now to be restored in you, to be renewed in you, to receive your love, your life, your forgiveness, and all the grace, mercy, and life I so desperately need today. I honor and worship you as my sovereign Lord, and I surrender every aspect of my life totally and completely to you. I give you my body as a living sacrifice (Rom 12:1-2); I give you my soul, my spirit, my heart, my mind, my will, my eyes, my thoughts, and my tongue and speech. I give everyone and everything to you. I ask your Holy Spirit to restore me in you, renew me in you, and lead me in this time of prayer and throughout today. **I want to live fully engaged each moment walking with you and enjoying your love and living as your beloved son.**

Father, you alone are worthy of worship and you alone give real life. I acknowledge to you that my life and this life here on earth is all about you—you are the hero of this Larger story—not me. Thank you for including me in your Larger story by rescuing me and granting me forgiveness and life. Thank you for including me in your mission—the Kingdom of God. Thank you for Jesus who died in my place so that I could be free from sin and live a new life in Him. **I ask you to father me today and lead me in the way of life, truth, and freedom.**

Jesus, thank you for ransoming me with your own life. Thank you for transferring me from the kingdom of darkness and death to your Kingdom of light and life.

- Today, I take my place in your cross that has freed me from any condemnation (Rom 8:1), freed me from sin's power over my life (Rom 6:11), and freed me from any claim the enemy has on me (Col 2:13-15). Thank you that the real, true me desires to please you and abide in you. I am free because of your work on the cross. **I want to live a holy and true life, so that I walk free of sin and live fully alive in you and live in the light. (2 Chron 16:9 and Matt 7:14) Show me how to live freely and lightly. (Matt 11:28-30)**
- I also take my place in your resurrection and life. It's no longer I who live but Jesus, you who lives in me (Gal 2:20). Fill me afresh with your resurrection power and strength today. **Jesus, I ask you to give me your holiness today so your life, love, light and power flow through my life. (John 7:38)**
- I also take my place in your ascension and receive all the authority you have given me over Satan and his kingdom (Matt 28:18-20). I bring the Kingdom of God over my life today and over my family (name them) and over the kingdom you have entrusted to me—my finances, vehicles, and over all for which I am responsible. **I want to be a trustworthy and good king in the kingdom you have entrusted to me. I ask you to give me eyes to see the KOG and live in your Larger story today.**

Holy Spirit, I yield myself to you and invite you to lead me today. I choose to follow your leadings. I ask you for courage to walk closely with you and to pause and ask and listen to and follow you as you lead me today. **I want a conversational walk with you Jesus via the Holy Spirit so I hear you and follow you each moment.**

I now bring the authority, rule, and dominion of the Lord Jesus Christ and the fullness of the work of Christ against Satan, against his kingdom, against his lies, and against all foul and unclean spirits that have come against me. (At this point, you will want to name the spirits you know have been attacking you. Be specific and include generational sins.) I bring the full work of Jesus Christ against every foul power and black art set against me. I bring the work of Christ between me and all people and their warfare, judgments, criticisms, and brokenness that have come against me. I bind all this from me in the authority of the Lord Jesus Christ and His name. In the name of Jesus Christ, I rebuke and break any curses, demonic activity, or any other evil thing that has been sent against me or passed down through the generations to me or to any of the people or areas for whom I am praying.

I renounce and ask forgiveness for any negative inner vows and agreements made by me. I ask you, Jesus, to release me from these negative inner vows and from any bondage they have caused me. In the power of the Word of God which is the sword of the spirit and what you accomplished at the cross, resurrection and ascension I cut free myself and those for whom I am praying from all generational sins, weaknesses, character defects, cellular and genetic disorders, in the name of Jesus Christ.

I cut all bonds of all relationships that are not of you, Jesus, and put your Cross between us. I am cut free, and I am truly free (John 8:36). Jesus, I am now free to become the son of God you intended me to be, filled to overflowing with the power of the Holy Spirit of God and the life and love of Jesus Christ in order to live a beautiful life. **That is what I want: to really live a beautiful, unexplainable life.**

I claim the shed blood of Jesus Christ, the Son of the Living God, over all that I have prayed, and I ask you to protect me and my family (name them) and those for whom I am praying, in the name of Jesus Christ. Amen.
