

# THE LARGER STORY

You can be a key player in reaching the hearts of others

**First**, if your heart, your life, and your walk with God have been changed for the better as a result of attending the 2022 Colorado Men's Expedition, **then I ask you to prayerfully go to Jesus and ask Him about you supporting this mission financially going forward in 2022 and beyond.** I want you to know of our need and ask you to follow Jesus in asking Him how you might play a part financially in this ministry/mission.

You may not know that we are a 501(c)(3) non-profit ministry that is supported primarily by the men and women whose lives have been transformed by having attended an Expedition or Encounter. Less than 7% of our funds come from profit from the Expeditions and Encounters. 93% of the funds that make this ministry possible comes from individuals whose lives have been changed and are changing as a result of the Expeditions, Encounters, small groups, and meeting with myself, Sandy, who is my wife, Linus, and Dani, who is Linus' wife.

I ask you to consider financially contributing to Adventures of the Heart in one of 3 ways: **Monthly, Quarterly, Yearly** (a one-time gift for 2022).

With these three you can give either by check, credit card (one-time or set up a recurring donation), or ACH debit transaction from your checking account. For more information on giving via check, credit card, or ACH visit: [www.adventuresoftheheart.org/contributions/](http://www.adventuresoftheheart.org/contributions/)

No amount is insignificant. Some people give \$30/month and others give \$2,500/month. The amount is not the issue — the heart is. We have noticed that there is something exciting and powerful that happens when a person is a part of advancing the Kingdom of God and playing a role in The Larger Story financially. So I ask you to prayerfully go to Jesus and ask: "Jesus would you like me to play a part financially in Adventures of the Heart." If you get a yes, then ask, "Jesus, how much and how often would you like me to give to Adventures of the Heart because I have so benefited in my heart, my life, and my walk with you through this ministry? I want to have a part to play in your Kingdom. So show me what amount you want me to contribute financially." Then follow what He leads you to do. If you ask Jesus and you get a "No," then do not give.

If after going to Jesus, you sense he is saying, "Yes, I want you to play a part financially in Adventures of the Heart going forward," then please go to [www.adventuresoftheheart.org/contributions/](http://www.adventuresoftheheart.org/contributions/) to give online. You can also text us at 404-418-9242 or email us at this email: [events@adventuresoftheheart.org](mailto:events@adventuresoftheheart.org) and let us know and we will get in touch with you as to how you would like to contribute.

Thank you for taking the time to go to Jesus and ask him about you becoming a player financially in this mission.

**Secondly**, I ask you to consider returning for one of our regional Expeditions. We have a Texas Expedition coming up on March 23-26, 2023 and a California Expedition on August 24-27, 2023. Most men say they benefit way more from attending a second or third Expedition as they can more clearly hear Jesus speaking to them. We also encourage you to begin now, praying and asking Jesus who you could invite and bring with you so your friends can hear this message of the heart and being restored by Jesus.

An email with more information about the 2023 Texas Expedition was just recently sent out and a California Expedition email will be sent in another month or so. We encourage you to forward these emails, when you receive it, to your friends who you hope to have attend with you. We also encourage you to block out the March 23-26, 2023 dates on your calendar if you plan to attend the TX Expedition. Or if you plan to attend the California Expedition block out the August 24-27, 2023 dates.

Looking forward to how Jesus leads you regarding being a financial player in the mission of Adventures of the Heart.

-Reese and the team
